

# CONFERENCE DINNER

## AT THE KORNSHAUSKELLER

Our conference dinner will be held at the splendid **Kornhaus** (Granary), directly opposite the famous Clock Tower and only a five-minute walk from the conference center Kursaal. The venue was at one time a municipal building used to store grain in order for it to survive the harsh winters. It was built between 1711 and 1718. The upper three floors stored the grain whilst the basement stowed barrels of wine. Today the Kornhauskeller is one of the most spectacular dining halls in Switzerland. The Kornhauskeller's menu is a delicious fusion of traditional Swiss and classic Italian cuisine with a contemporary flair, all served under the beautiful painted vaults.

### NETWORKING THAT ACTUALLY WORKS

The restaurant is a popular meeting place with a great atmosphere and plenty of comfortable seating tucked away between the pillars. The evening will start with a welcome drink to give everyone an opportunity to chat with other delegates. This will be followed by a buffet. In addition to the buffet stations, waiters will be circulating and serving food.

Dinner guests can either sit comfortably in the lounge areas or may prefer standing and using the poseur tables, or can do both, offering even more possibilities to socialize with our conference participants who come from all over the world. The dinner will enable participants to enjoy not only a splendid evening of good food and good wine, but will also offer plenty of possibilities to meet other conference participants.

### HOW TO GET THERE

The Kornhauskeller is a five-minute walk from the Kursaal conference centre. Cross over the Kornhaus bridge, and walk past the city theatre (Stadttheater). You will see the Kornhaus on the right, immediately after the Kornhaus Café. Please walk down the stairs to the Kornhauskeller.

We do not accept bookings for the dinner on site or at the conference registration desk.

**All reservations have to be made online when doing your registration.**

The dinner will start at 19:30 on Monday evening; dress code is casual.
